If you are on a tight schedule, you would definitely appreciate the many opportunities Colombo offers for fine dining and shopping, not to mention the overarching beauty of the city's rapidly developing landscape; a perfect combination of well-preserved colonial architecture and urbanity. Meanwhile, if you are free to spend a few days in the city you will be amazed by the many cultural and historical wonders located within locales such as Fort and Cinnamon Gardens. The bustling market streets of Pettaha also make up for an interesting place of visit.

Located in the centre of the cultural triangle, Minneriya is a good alternative to the busier parks in the south and it's easy to weave in a day here between visiting the ancient cities. The dry season, preferably from June to September, is the best time to visit the park when the ancient tank, the lake that dominates the area, dries out and the grasses and shoots push through. During this time, it is possible to see herds of up to 150 elephants feeding and washing, as well as toque macaques, sambar deer and leopards.
- Overnight stay at hotel in Dambulla.

DAY 03| Dambulla | Sigiriya | Polonnaruwa | Dambulla

- After breakfast Sigiriya for a climb up the Rock Fortress.
- Sigiriya -The marvellous rock fortress of Sigiriya is a rare jewel among the many treasures in Sri Lanka. The site was the domain of King Kashyapa whose aim was to build an impregnable fortress and within it, a heavenly abode. Rising over the dry plains of the Dambulla district, the tough climb up this flat-topped monadnock ends with the most scenic bird's-eye view of the emerald plains and leafy villages below. The skeletal layout of the ancient city within the fortress marvels its observers with the grandeur and complexity of 5th century urban-planning of Sri Lanka. On the way to the top one can observe the famous Sigiriya frescoes of the buxom, wasp-waisted maidens bearing flowers, amidst the wilderness and ancient ruins. The smoothly glazed 'Mirror Wall' located a few steps away has sealed the expressions of ancient visitors, inspired by the vibrant frescoes.
- Thereafter, Proceed to Polonnaruwa to a city tour in Polonnaruwa ancient city.
- Polonnaruwa – A 'World Heritage Site', Polonnaruwa was the medieval capital of Sri Lanka from the 11th to the 13th century AD. Great revival was achieved in the country, politically, economically and socially during the periods of kings Vijayabahu 1, Parakramabahu 1 and Nissankamalla. The monuments here are better preserved than at Anuradhapura - the previous capital. Parakrama statue, royal palaces, audience halls, Vata-da-ge, Thuparama, Rankoth Vehera, Kiri Vehera, Gal Vihara, Lankathilaka & Thivanka Image House are some of the interesting monuments here.
- Overnight stay at hotel in Dambulla.

The summer resort of Sri Lanka, it is one of the few areas where the colonial atmosphere is preserved, still resembling a British countryside complete with rose gardens, hedges and red-roofed bungalows.
